

APPLICATION FOR A MILITARY AFFILIATED RADIO SYSTEM (MARS) STATION OR MEMBERSHIP LICENSE (AE Suppl 1 to AR 25-6)

Data required by the Privacy Act of 1974

Authority: 5 USC 301 and 10 USC 133

Principal purpose(s): To establish, renew, or modify Military Affiliate Radio System (MARS) membership in the Army in Europe.

Routine use(s): The application will be maintained as part of the official Army MARS records. The information on the application will not be disclosed without written consent to anyone other than established MARS officials.

Disclosure and effect on individual not providing information: Voluntary. However, failure to provide requested information may result in disapproval of the application or delays resulting from additional research required to establish eligibility.

Type of license requested	Purpose of application	Previous MARS callsign(s)

Remarks

Disclosure

Yes No

Do you agree to publication of your address or other personal data in MARS rosters and newsletters, which may be available to the general MARS membership?

If you answer "no" to the above question, list which personal data you do not want released to the general MARS membership:

All applicants: I certify that MARS operations will abide by all Army MARS rules, regulations, policy, and directives; and that I (we) qualify for a MARS license. I further confirm that this station has the capability to transmit and receive on at least two MARS frequencies.

Individual applicants only: I certify that I am a U.S. citizen and I meet the minimum age requirements for MARS membership.

Signature: _____ **Title:** _____ **Date:** _____

NOTE: Applications from military organizations must be signed by the unit's commander or designated representative.

Internal Use Only

Date application received	MARS frequency assignments for station location requested/confirmed
MARS callsigns issued	Expiration date
