

Equipping a New Generation for the Harvest

Timothy & Gloria Hagquist

*"We must be global Christians with a global vision because our God is a global God."
- John R.W. Stott*

Exciting Future!

We are excited and thankful! Excited about a new ministry as **Missions Coaches** and excited about the opportunity the Lord is giving us to speak into the lives of the next generation of missionaries!

Our new ministry will be working with young couples and singles, and walking with them on their journey of preparing to serve overseas. While serving in the Philippines we had the privilege of facilitating student internships and we've been very impressed with the new generation of workers God is raising up. We have clearly sensed the Lord's leading us to become Mission Coaches and we're very thankful that WorldVenture has asked us to continue to be involved in world missions in the U.S. There are many challenges but ***we desire to pour our lives into a new generation of quality young people the Lord is raising up—intelligent, committed, relational, culturally sensitive, Christ-centered servants who are willing to give their lives to reach a lost world with the Good News of Jesus Christ.***

Transition

We are currently in a transition mode as we wrap a ministry as overseas missionaries, facing the cultural changes that we must go through as we begin life in the U.S. after living in a third-world country, and beginning a new ministry. We're currently in Arizona where we're finishing our reporting to churches and individuals who been partners with us in ministry. We'll be returning to Minnesota at the end of March.

Prayer Needs

- Pray that we will communicate clearly to our supporting churches and individuals the work in the Philippines and their impact as partners in ministry with us.
- Pray that as we begin a new ministry as Mission Coaches that we will be effective in preparing the next generation for the harvest.
- Pray that the Lord will bring people into our lives and that He will use us to share the Gospel, disciple new Christians, and mentor others on their journey as followers of Jesus Christ.

- Pray that the Lord will provide our support needs as Mission Coaches.
- Pray that the Lord would help us through this major transition in our lives.
- Pray that in all we do, we will honor Christ and faithfully serve Him.

We want to express our great appreciation for each of you. You have been faithful partners with us through prayer and financial support. As Mission Coaches we'll continue to need prayer and financial partners. Please pray and ask the Lord if He would want you to continue as a ministry partner. We believe that the years ahead will be very productive as we help prepare a new generation for the harvest. If the Lord should lead you, please contact us or WorldVenture.
