

Spring 2010

Dear ARMS Member,

I am constantly updating the Directory that is due next spring. In it I will have the same two indexing categories as in the 2009 Directory that you already have in your possession. I will include all e-mail addresses and telephone numbers that you provide us so be sure to include that information in the renewal application below. This information will help you to communicate with each other to set up section meetings and hamfests, etc. Remember, we do not disclose your contact information to anyone except your fellow ARMS members through the Directory.

We are in need of Southwest and Canadian Section Directors. Please consider helping out with these fun-filled jobs. There isn't a whole lot of work involved. Maybe manage the local net (see schedule in the BEAM), organize an annual get-together and then send a Section report to me twice a year to let us know what is going on. If you are interested, I would suggest that you contact our President, Gerry Brunk, K4RBZ, brunkger@emu.edu

Note that the ARMS Web site URL has changed: www.qsl.net/arms

73/99,

Mike Eagen, KØRRP

- This is a new postal mailing address
- This is a new telephone number

Please mail payment with form to:
Ora Gifford, KE7BF
708 Hillcrest
Grandview, WA 98930

Please keep your Section Director up to date on any interesting activity in your life concerning ham radio, Christian service, or personal information.

If your section has a local meeting at some location including a hamfest, please write it up and especially please send jpg photos to your Director. The Director will then create a story to send me for inclusion in the next issue of the BEAM.

I hope that each Section meets once each year and that you grow it by getting acquainted with each other. Let plan on making ARMS a part of our ham radio and Christian experience.
