

Chesapeake Amateur Radio Service Sunday Night Script

Time: 2000 Sunday

W4CAR repeater is on 146.820 (-) offset PL 162.2.

This script is a guide.

START

Does anyone require this repeater for emergency use? Please call now.

Welcome to the Chesapeake Amateur Radio Service or CARS Net. This is a directed net.

Your net control for this session is [your call sign]_____. My name is _____. I am located in _____. Please direct all comments to the Net Control Station.

This Net meets weekly on Sundays at (8 pm local) 2000 on this 146.820 PL tone 162.2 W4CAR repeater to share experiences Amateur Radio related or otherwise and for general practice in Net procedures.

(optional) At the conclusion of the Net, for those interested, we will have some slow speed Morse Code practice.

(optional) Although not a traffic net, is there any message traffic for the net?
[If there is ask for any liaisons to a higher net]

Stations with announcements please call now. (Make announcements)

Queries, fills or additional announcements please call now.

This concludes the formal portion of the Net.

This is [your name]_____ and [your call sign]_____ with the CARS NET, in progress.

Mobile or portable stations please call now. (Go down the list) Any comments?

Fixed stations please call now.

Any additional check-ins, please call now?

I will start at the top of the list for any comments and/or suggestions.

(If a long list, call for additional check-ins at regular intervals and " This is [your name]_____ and [your call sign]_____ with the Chesapeake Amateur Radio Service Net in progress" at least every 10 minutes)

Late check-ins, please call now.

[May go down the list as many times as practical.]

This net meets every Sunday at 2000 on this the 146.820 W4CAR repeater. This repeater is sponsored by the Chesapeake Amateur Radio Service, and the City of Chesapeake. Don't forget to support your other amateur nets: SVTN Net on the 146.850 repeater at 2000, the RAISON Net MTW at 145.330 and the Virginia Beach Public Service Net on the 146.970 repeater at 2100.

Thanks to all for checking in to the CARS Net. The net is now closed. The time is _____. This repeater is now returned to general amateur use. Good evening and 73.

This is [your call sign]_____, and I am clear.

END
