July 2007

Words from the President

I want to thank everyone that helped with Field Day 2007 for CARS. I believe everyone had a great time and enjoyed the weekend.

Thanks for Paul, K4PRB, Dennis, K4DKR and Jim, WB4UVH for a great job of feeding everyone with lunch and dinner! If you were not able to attend you missed a great meal!

I wish to thank Ken, KI4RUI, for the donation of his generator and gas for the weekend. There are too many names to mention and I am sure I will miss someone. Let me say thanks to Gavin, KD7GJB for a great job of making sure everyone was squared away and ready to roll Saturday. To everyone else that was there thank you and look forward to seeing you again next year.

At the time of this newsletter going to press (hi hi), we don't have all the Field Day pictures and other items so they will be included in the August edition.
