Those planning on Camping are invited to arrive as early as you wish. There are plenty of shaded tent sites. You will find numerous sites for RV's with electric and water hook-ups. The showers and restrooms are open 24hrs to accommodate those camping. KB0OVY, Wayne will be the camp official and will assist you with checking in. The local Grocery stores close at 9:00 Pm. There are Convient Stores open until mid-night. The Lakewood Inn Motel (605 874 8279) is available with rooms. It is advised to call early for reservations. There are plenty rooms in Watertown (about 20 minutes away from Clear Lake) and early reservations are encouraged also. Saturday evening you will find a full meal available at the "Cookout" starting about 6:00 pm and Food and drinks will be available all day Sunday. There will be several tables available for flea market people. If possible bring your own table to accommodate others. Yes, "tail-gating" is welcome. We **will not** have the golf tourney this year, due to conflict at the golf course. Anyone that would like to golf Sunday morning will find others planning on shooting a round or two. "I think that covers some of the questions that may be asked". Let us know if you think of something and we will get back to you. "We of the DCARC welcome you and please have a safe trip on the way to our 2006 event". Oh! And safe going home too.
