Committee Reports

We are still working on committee assignments.

Testing – Testing is being held this Thursday. We have one candidate who is planning on being there.

Repeater – The Internet at the 73 site is up and running. We finally got in contact with the right people and Nextlink agreed to provide the club with complementary internet service. We now have an official account and contact information. We are still working on port configuration.

Old business

Winter Field Day – Terry R. reported on the activities. 24 contacts were made. We had two radios set up. 4 members were in attendance.

DMR Repeater/ARES – As of right now, it sounds like the group providing the repeater will also provide us with an antenna, and coax. We are still working on the details.

New Business

May 13th is the State Ham Convention.

Meeting was adjourned at 9:14

Training was Handheld Radio and DMR

Split the pot of \$10 was won by Rich Widga and donated it to the club.

Respectfully Submitted,
Aaron Mathis, KT0Q
Secretary/Treasurer
