### Committee Reports

Repeater Committee – Repeaters are working well. We could not track down the identifier issue that was mentioned by Rich at the last meeting. We have a fluke with the 440 where a signal ends up locking up the repeater. Aaron suspects it is triggered by something in the room we are in. Ron mentioned that maybe it's related by ducting.

Testing Committee –The next session will be in August.

### Old Business

DMR Repeater– DMR Repeater will be installed next Saturday. Aaron is still working on the internet situation.

### New Business

Dinner will be at 5:30. Everyone bring a side dish. Sue mentioned reaching out to the newspaper and radio stations. Conversation commenced about how to expand the reach and encourage community participation. Aaron will send a release to the papers.

North Bend Ham Fest- Motion was made by Aaron to move the July meeting to the 15<sup>th</sup>. Seconded by Dave. Carried.

KOHW Estate Sale – Saturday August 19, 2023 9-1 in Elkhorn, SD. Aaron will speak to Monty about putting it up on the website.

Split the pot of \$6 was won by Bruce who donated it back to the club.
