### **Committee Reports**

Testing Committee – The next testing session is February 17th at 1:15. VE's should be at the library by 1:00pm.

Repeater Reports – Repeaters are operational and in good condition. We have run into a few issues where reboots are required. Aaron will set up an auto reboot sequence to see if this will make Windows happier.

### **Old Business**

Dues – 2024 dues are due. Please see Aaron to pay. If you do not pay, you will receive a notification by email.

Winter Field Day – 8 folks dropped in for field day. 2 contacts were made. The tower trailer was put up with two G5RVs. Multiple folks worked on building hot spots and getting them assembled.

There was a break for breakfast at 8:53. The meeting was reconvened at 9:15.

**New Business**

Pat Adam's Estate – Pat passed away in December. At the request of his widow, a few members will pick up his radio equipment following the meeting. She has mentioned donating the equipment to the club.

The meeting was adjourned at 9:20.

Split the pot of \$15 was won by Andy who donated it to the club.

Bill shared pictures from past club events and brought a show and tell item, a rocket with a radio transmitter in it. This rocket is available for club member use if anyone would like to design an experiment for it.

**Training**

Hotspot Assembly and Programming

**Future Dates:**

Testing – February 17th

Next Meeting – March 9<sup>th</sup>

Respectfully Submitted,  
Aaron Mathis, KTOQ
