

Elkhorn Valley Amateur Radio Club
PO Box 1033
Norfolk, NE 68702-1033

October 10, 2009

The regular meeting of the Elkhorn Valley Amateur Radio Club was held at HyVee. The meeting was opened by President Mark Yover. Present were: Monty, NRØA, Mark, WD9FYU, Dave, NØXBN, Ron, NØZQR, and Sue, KDØJE. Secretaries report was read by all. Ron moved the minutes be accepted. Seconded by Sue. Treasurers report was circulated to all member present. Sue moved the treasurers report be accepted. Seconded by Ron.

Old Business:

- There has been an increase in activity concerning the sale of the tower (where our repeater resides). No additional information is available.
- Ron commented on the occasional "burp" on the repeater during the net. It is most prevalent when the PL is off. If the source cannot be found then the solution is to start running PL during the net.
- Dave asked about the MS Walk-A-Thon this year. The request for support came in late and the club did not have time to approve the support and organize the effort. We did let the organizers know we are interested in supporting the walk, but do need to be notified sooner.

New Business:

- There was no new business.

There being no further business the meeting was closed

Respectfully Submitted,

Monty Wilson, NRØA

Secretary/Treasurer
