Welcome to the Fayette County Repeater Association, Inc. This corporation was founded with the purpose of promoting interest in amateur radio and supporting the 145.210 repeater. Our repeater is the flagship of south metro Atlanta with coverage of almost a 50-mile radius from Fayetteville, GA. Our members support such activities as ARES, SKYWARN, the NWS, various charitable events, and classes to become amateur radio operators. We have a monthly "Eat'n Meet'n" where we get together at a local restaurant just to socialize. We welcome YOU to our Association.

If you would like to become a member, please print this page, fill it out, and mail it with a check for \$25 (July-December) or \$15 (January-June). Dues are for a fiscal year, July 1 through June 30.
