

**THE REGULAR MEETING OF THE JARC WILL BE HELD
ON WEDNESDAY OCTOBER 4TH AT 7:30 PM AT THE
WEATHER FORECASTING OFFICE**

**NEWSLETTER
of the
Juneau Amateur Radio Club
KL7JRC**

October 4, 2006

JARC 2006 Club Officers:

President	KL7MK	Mark Miles (Deceased August 29, 2006)
Vice President	KL1AS	Jack Gregson
Secretary	KL0KZ	Sam Smith
Treasurer	WL7WB	Paulette Sill
VHF Chair	KL7HFI	Jerry Prindle

The regular monthly meeting of the Juneau Amateur Radio Club will be held at the National Weather Service Office on the Back Loop Road on Wednesday at 7:30 PM, October 4, 2006.

In Brief:

- The equipment being donated to the Club from the estate of Tad Fujioka has been inventoried and a listing is included in this Newsletter. The donation to the Club will be made as soon as we receive our non-profit status from the IRS.
- There are still some items available from Howard Hogberg's estate. See the listing in this Newsletter.

September Meeting Highlights:

- The bank balance on September 6th was \$7,301.26.
- Jerry Prindle, Mike Caughran, Sam Smith and Charley Gray will continue to work on a proposal to install a remote HF link that can be accessed from a handheld and/or the Internet.

VE Report:

No activity this month.

VHF Report:

There was no VHF report this month. Jerry is back from his vacation.

Wednesday Lunchtime Meetings: We've been having 8 to 10 members at our Wednesday lunch meetings. The informal lunch meetings continue to take place at the Atrium eating area in the Jordan Creek Mall at noon

every Wednesday. Bring your lunch.

Membership:

Rob Kindred is handling membership duties for Bob Simpson. As of the May meeting we had about 50 paid members for 2006. Membership information is available at monthly meetings and on-line at www.qsl.net/jarc. Annual membership dues are:

\$36.00 for an individual membership including one autodial number, plus
\$12.00 for any number of additional family members;
\$10.00 for reverse patch and mailbox;
\$5.00 for each additional autodial numbers; and
\$10 for a youth membership.

Please bring your dues to the next meeting or mail to:

Juneau Amateur Radio Club
P.O. Box 35484
Juneau, Alaska 99803-5484
Attn: Treasurer

The Club needs your active participation and dues.

ARES Activities: We need more participation in the ARES Net that meets on the Mt Roberts repeater each Tuesday at 7PM. It only takes about 10 minutes and provides good practice for any events that could overwhelm our community. The Northern Southeast Alaska Amateur Radio Emergency Service (ARES) net operates with good participation from Haines, Gustavus, and Juneau. The purposes of this net are to check on the readiness of ARES members and their equipment, to make announcements pertaining to amateur radio, to conduct informal training and to give members experience in managing a net. All are welcome to check in. We hope to see you on the radio!

Tell us your new E-mail Address: Sam Smith, KL0KZ, our Newsletter editor has been sending out our Newsletters electronically to the 90 percent of our membership who use Email. Please contact Sam at ssmith@ptialaska.net if you obtain a new e-mail address.

The Newsletter: The Editor of your Newsletter continues to search for interesting information from Club members that can be used in the Newsletter. We are frequently able to include articles and information by Club members, which are far more interesting than the usual dry information produced by the editor. If you have time to put something together that would interest the membership, please send by e-mail to ssmith@ptialaska.net. We will edit it for you; so don't hesitate to send something to us. The appropriate length is less than one page.

Club Web Site: The Club's website is www.qsl.net/jarc. The site is maintained by Mike Caughran. An archive of past Newsletters, Club Minutes and ARES information are available on the site. It also provides excellent exposure for selling used radio equipment.

Repeater Status: Following is the status of repeaters in the Juneau area, which are available for use by Club members and out of town guests. For additional information on the Club's network of repeaters see the 2004 JARC Repeater Guide

REPEATER LOCATION	H-T FREQUENCY	CONDITION
-------------------	---------------	-----------

Mt. Roberts Tramway R146.82/T146.22 Operating normally needs a tune up. Lena
 Point R147.00/T146.40 Operating normally antenna not in final location. Heinzelman
 Ridge R146.64/T146.04 System is functioning properly Hoonah Mountain R146.70/T146.10 Operating
 normally antenna not in final location. Petersburg/Duncan Canal R147.36/T146.76 New equipment is nearly
 ready for installation. Haines Repeater R147.06/T147.66 Functioning Skagway Crossband 440 mHz
 band Frequencies not yet established
 (Receive and transmit frequencies refer to your hand held transceiver)

Equipment for Sale: Following is a listing of equipment belonging to the estate of former Club member Harold Hogberg, KL7JAW (SK). Some of the equipment has been sold, but most is still available. This is a good opportunity to obtain some ham equipment.

1. Kenwood 430S Transceiver (1984) - \$300
2. Yaesu FL-2100 B Linear Amplifier (about 600 Watts with 4-572 tubes) w/manual - \$475
3. Kenwood AT 200 Antenna Tuner - \$50
4. Icom IC-255A 2-meter Transceiver - \$70
5. Pyramid Gold Series 22 Amp Power Supply - \$20
8. Alinco VHF FM Transceiver DJ-511T (1999) \$80
11. RF Communications Linear Amplifier 1500 (plus) Watts. (Very Big - 200 lbs) w/manual 8164/3-1000Z - \$1200
14. Yaesu Antenna Tuner FC 301 500 Watts - \$125
15. Two - Yaesu Transceivers Model FT 101E (before 1979) 1 has service and instruction manual. Both in good working condition - \$250 without books and \$275 with books.
16. Icom IC RM2 Computerized Remote Controller - \$20
17. MFJ Tuner Vesa II - Model MFJ941C - \$85
19. 50 Foot Tower - Tribander Yagi Antenna (20-15-10 meter) with Rotator & Control - \$500 on the side of the house
21. Wilson - 2 meter 6 channel - \$5
22. Kenwood TS520S HF Transceiver w/mic - \$250
23. Low Pass Filter - \$5
24. Nine (9) NEC 6JS6C (Used condition unknown) - \$
25. ZPI 3 amp Power Supply \$5.

26. ICOM IC2A 2 meter - \$

27. 3 ft Jumper coaxial RG58/U (new) - \$10

28. Heathkit Soldering Iron - \$

You can contact Cindy Evans at (907) 789-7690 regarding the equipment. Prices are negotiable.

Equipment to be Donated to Club From Tad Fujioka Estate: Following is a listing of equipment belonging to the estate of former Club member Tad Fujioka (SK). This equipment is to be donated to the Club following receipt of our non-profit status.

BOX 1: MFJ 931, Artificial ground
ICOM, IC-PS30

BOX 2: Miscellaneous parts
Practice key
Old Heathkit 2m Transceiver

BOX 3: AEA PK-88, Packet Controller
AZDEN PCS-6000H, 2m Transceiver (Auto type)
Samlex RPS 1220, 25 AMP Power supply

BOX 4: Realistic UHF/VHF Receiver (hand held)
Archer Model 15-1225B, Rotator control
GE Interval Timer (120 sec)
Heathkit Model HWA-7-1, Power supply, 15W, 13VDC
Palomar R-X Noise Bridge
Weller Soldering Iron

BOX 5: ICOM IC21A Handheld transceiver
ICOM 2KL Linear Amplifier
Equipment files
Small Radio Shack Speaker

BOX 6: ICOM IC AT-500 Auto Tuner
Ten-Tec Model 209, 300W Dummy Load

BOX 7: ICOM IC-2KLPS Power Supply for Linear Amp

BOX 8: ICOM IC-735 Transceiver
MFJ-259 HF/VHF SWR Analyzer
Bencher Iambic Keyer
Microphone and Headphone

BOX 9: Heathkit HW-7 Transmitter
Ladder line and wire antenna
Multimeter
Coax

BOX 10: Mobile Authority, 7-Amp Pwr Supply

ICOM IC-21A, 2m Handheld Transceiver
Radio Shack, 2m Pwr Amplifier
ICOM IC-02AT, 2m Handheld Transceiver
Realistic, 2m Handheld Transceiver
Larsen Mag Mount and whip Antenna
Yaesu programming software

BOX 11: Miscellaneous small parts

BOX 12: Ringo-Ranger II, ARX-2B antenna by Cushcraft (in box)

ITEM 13: 4-Element, 2m Yagi Antenna
