

HAM RADIO FIELD DAY! JUNE 28-29, 2008

What: A demonstration of amateur radio emergency communications by members of the Panoramaland Amateur Radio Club (PARC) in Colville. The public is invited to see all the action!

When: From noon Saturday, June 28, to noon Sunday, June 29 (continuous 24 hours of operation).

Where: 2854 Horseshoe Lake Road, Chewelah, **SEE MAP ON RIGHT.**

Why: 1) To practice emergency communications via shortwave and VHF radio without connection to commercial electricity or telephone lines. 2) To help persons interested in learning about ham radio become acquainted with how amateur radio works and the fun of making contacts with distant stations with shortwave radio.
