November  
December

## Jacksonville Amateur Radio Society Inc. NEWS

**Next J.A.R.S. Meeting on Nov 7, 1995  
7p.m. at Wareco on E. Morton Ave.**

This will be our last meeting before the **Central Illinois Winter Superfest** on December 2, 1995. Our next regular monthly meeting after the Superfest will be on December 5, 1995. We will be trying to get all the CIWS planning worked out at our next meeting so be sure to attend if you can. I am going to include the planning sheets in this news letter so if you are helping on a committee you will know who else is, or if your name is not down on a list please contact the committee chairperson or a CIWS co-chairperson. The only way that we can make this a total success is by all members of this club and the IVARC to do each of our parts. PLEASE help to support your club!!

I have kind of gotten behind on the news letters so this should be the Oct.-Nov. Issue. I hope to get back on track sometime here so please bare with me. There has been some discussion about the club meeting format, and hoping to make it a little more interesting and informative. I would like to make a suggestion. Since our Constitution & BiLaws are such that we need only meet Bi-Monthly, (our regular meetings are on even months) we might kick around a program (no business) on the odd months. Something to think about??? Let us know how you feel..... 73s Tim KB9FBI

*The Jacksonville Amateur Radio Society Inc. is a not-for-profit organization that provides support for members in all aspects of Amateur Radio which is regulated in the United States of America by the Federal Communications Commission (FCC). We conduct monthly meetings, publish a bi-monthly newsletter, and establish communications in emergencies, disasters, and various drills.*
