ZCZC AG30
QST de W1AW
ARRL Bulletin 30 ARLB030
From ARRL Headquarters
Newington CT May 7, 1998
To all radio amateurs
SB QST ARL ARLB030
ARLB030 LMCC petition opposed

The ARRL is organizing opposition to a new threat to the 70-cm Amateur Radio band. The Land Mobile Communications Council (LMCC) has asked the FCC to immediately reallocate 420 to 430 MHz and 440 to 450 MHz from the federal government to the Private Mobile Radio Service (PMRS) on a primary basis. Amateur Radio now enjoys the use of 420 to 450 MHz on a secondary basis, and the 430 to 440 MHz segment is an international allocation. The 70-cm band is the second most popular of the hobby's VHF/UHF allocations, with substantial FM repeater and other operation in the 440 to 450 MHz segment and a variety of uses in the 420 to 430 MHz segment.

The LMCC request, based on "additional spectrum needs of the PMRS community," acknowledges Amateur Radio's use of 420 to 430 and 440 to 450 MHz, and suggests that ham radio applications can remain secondary to PMRS in those segments, but offers no explanation of how sharing could be accomplished. The LMCC says it believes the 430 to 440 MHz subband "is more important to the amateurs for use in emerging technologies such as links with spacecraft and amateur television applications."

The petition also suggests that equipment availability and technology resulting from an expanded PMRS presence on 70 cm would benefit hams "pursuing such applications as compressed video television in the 430-440 MHz band." The LMCC concedes, however, that its "most urgent need" for PMRS is voice and low-speed data applications, not advanced technologies which might come later on.

The petition also notes that PMRS already uses 420 to 430 MHz in three Canadian border cities (Buffalo, Cleveland and Detroit) and a "reduction in military use of this band is foreseen."
The LMCC also seeks allocations at 1390 to 1400 MHz, 1427-1432 MHz, and 1670 to 1675 MHz as well as 85 MHz at 960 to 1215 MHz by 2010.

Comments are due on the LMCC's Petition for Rulemaking, RM-9267, by June 1. Reply comments are due by June 15.

More Members Needed!!!!!!

Well it happened again! The thing that was feared by the membership a couple of years ago that led to a change in the By-Laws has bit us again! At your JARS meeting in May we had only 11 members in attendance. If you remember back the number needed for a quorum was changed from a percentage of the membership to 12. Because of the attendance of the May meeting no business of the club was taken care of and no elections were held. We need to see a better turnout at the club meetings or we will find ourselves without the JARS and its activities. PLEASE help support your local club:)

Election Notice

Nominations for office were held at the March meeting of the JARS and the candidates are:

President - Larry Spoon, KB9KRK
Vice President - Tim Childers, KB9FBI
Treasurer - John Adcock, N9WJL
Secretary - Vince Brekman, W9OES
Director - Mike Mayberry, WB9RNY
Margo Gilmore, KB9KHP
Kaye Green, KB9KHQ
Mike Lowe, KB9MGX

During the last two years all the Officers have held the same post and must vacate the office they currently hold. The officers shall be elected for a term of one year at the regularly scheduled meeting in May (**No Quorum**) and their term of office shall run from July 1, 1998 to June 30, 1999. I would like to personally thank all the officers who have served the last two years. If not for their help and service to the club we could not have enjoyed the success that we have had.

Since there was not a quorum at the May meeting, the election shall take place at the June meeting.

Field Day 1998

This year Field Day will be held in conjunction with the Illinois Valley Amateur Radio Club at the old C.B. Club Building on Lake Road (end of E. Vandalia Ave.) at the end of Nichols Park on June 27 & 28, 1998.

If you have information about equipment you are going to bring, or any other information concerning Field Day please contact the person in charge of that area.

Equipment: KB9FBI Tim Childers (217) 245-2061 kb9fbi@qsl.net
Public Relations (media): KD9UL Bruce Boston (217) 323-2611 kd9ul@arrl.org
Public Relations (on site): N9IDN Joanne Chute jode@inx.net

Food: ???????

Signs: ???????

Operations: KB9FBI Tim Childers (217) 245-2061 kb9fbi@qsl.net

Most needed this year is **YOUR TIME!** We want to see all of the members of the JARS/IVARC have a great time at Field Day and we will need your help to make this years Field Day a success.

JARS Dues

Your membership dues for the JARS 1998/1999 are due at the end of June 1998. Please return the enclosed form with your dues to the treasurer at the club meeting, Field Day or via the USPS.

JARS Sign

We are gathering the information needed to place a JARS sign on the fence along with all the other civic organizations at Community Park.
