

# The Valencia County Amateur Radio Association INVITES YOU TO JOIN US

VACRA is the club for Valencia County amateur radio operators. We:

- Hold friendly informative meetings each month
- Have fun Field Day activities including a great hamburger lunch
- Operate an open to all repeater - 146.700, negative, 100 tone
- Hold a weekly net (8:00 PM Wednesday on the repeater)
- Have a nice club station available to all members
- Publish a monthly newsletter
- Operate an annual special events station making hundreds of contacts
- Provide communications support for emergencies and public events
- Support scout activities including JOTA and activity days
- Teach licensing classes

Some of the new things we expect to do this next year include:

- Really prepare to provide emergency communications service
- Increase our efforts to showcase amateur radio to youth

**Everyone is invited to join. This invitation extends to the newest ham as well as the most seasoned veteran. This invitation is also made to ham wannabes.**
