		442.600+	107.2	WA6PWW	Fremont	ARES Command Net	Repeater or output
ACWD		441.125 +	100				
		146.420		ARDENWOOD simplex			City of Fremont SIMPLEX Net is on 145.700. Each district runs its own net on their assigned SIMPLEX frequency. If the district needs to call Fire DOC tune to 145.700 to call direct then switch back to district SIMPLEX when finished, and vice versa for FIRE DOC. If two operators are available use one for district frequency, one for city frequency.
