**APPLICATION FOR A
RADIOCOMMUNICATIONS LICENCE
(AMATEUR RADIO)**

Form AMA01

Instructions for completion

- Print clearly, unclear or incomplete application forms may delay processing of your license.
- Applicant's details will be treated as confidential.
- Note that the Office of the Regulator will not issue a licence unless all relevant fees are paid.

Disclosure of Personal Information

Information provided by the applicant or authorised representative in all fields of this form is required. Submitting this form without all information required will delay the process. Not enclosing attachments and block diagrams required may refuse your application.

Duration of License

Please tick where appropriate

Licences issued for periods up to, and including, one year must be paid for in full at the time of application. Licences issued for shorter or longer periods than 1 year may be paid for in full at the time of application. Licences are usually issued for one year and renewed thereafter.

A copy of the current Amateur licence must be presented for verification purposes.

Payment of fees

☐ I enclose the fee by cheque/cash

Important notes on payment of fees:

- Where the correct payment does not accompany an application, the Office of the Regulator will notify the applicant of fees payable. The relevant fees are **to be paid prior to receiving licence**. Should fees not be paid by the due date, the Regulator in his power given by the telecommunications Act will consider refusing the application and the frequency may become available for assignment to other services. Cheques should be made payable to the **Office of the Regulator**.
- Consideration of an application may attract an administrative charge, even if the Office of the Regulator refuses to issue the licence.
- To avoid delays in processing, completed forms should be forwarded with the appropriate fee to:
The Regulator
Office of the Regulator
Private Bag
Apia, Samoa
Telephone: (685) 30282
Facsimile: (685) 30281
Email : spectech@regulator.gov.ws

Declaration

I declare that the information in this application and in any accompanying documents provided by me as a person authorised by the applicant is true and correct in all details, and that the equipment to be employed is of a type approved by the regulator for this purpose.

In accordance with the Telecommunications Act 2005 Part V, I hereby apply for the grant of a licence for the installation, operation or use of the radiocommunications apparatus described herein.
