

General Course Instructions

Excepting the Maine ARES Safety Course, all Maine ARES Courses are based on courses used by Colorado ARES and are used and adapted with permission.

All courses involve studying the computer based course (in an Adobe Acrobat format) and answering the final exam questions and forwarding the final exam questions to the course administrator for correction. A score of 75 percent or better is required for certification. Students have 120 days from enrollment in the course to complete the course. Send your final exam to John Goran, K1JJS (k1jjs@arrl.net).

To download course materials, right click on the desired download and select "Select Target As" and follow the instructions.

At the successful completion of the course, you will be sent your certificate in an Adobe Acrobat format. If you desire a printed certificate, please mail a certificate sized envelope along with three pieces of postage to:

John Goran, K1JJS
74 Webster Rd
Freeport, ME 04032-6228
