

Capital Area ARES Net Script

BEGINNING:

**** This is X1XXX calling the Capital Area ARES Net. I will be net control for the Capital Area ARES Emergency Net. We meet weekly on Thursday nights at 7:00 PM Local time for the purpose of providing information and training for emergency communications.**

**** This is a directed net. Please listen to net control. Do not transmit unless directed to do so except if you have emergency traffic. When checking into this net, please state your callsign phonetically, followed by your name, current location, and say the word **traffic** if you have traffic or other business for the net.**

**** I will break here for emergency traffic. Stations with emergency traffic, call signs please.
(Confirm emergency traffic and handle as needed)**

CHECK-INS:

**** Everyone is welcome to check into the net. I will ask for check-ins in the following order:**

- a. Any staff or liaisons wishing to check in.
- b. Portable/Mobile Stations.
- c. Fixed Stations on emergency Power.
- d. Any amateur operators wishing to check in.

**** Any staff or liaisons wishing to check in, please check-in now!
(Confirm Check-ins – Continue until no one answers before moving on to the next category)**

**** Any Portable/Mobile Stations, please check-in now!
(Confirm Check-ins – Continue until no one answers before moving on to the next category)**

**** Any Fixed Stations on emergency power, please check-in now and state your power use!
(Confirm Check-ins – Continue until no one answers before moving on to the next category)**

**** Any amateur operators wishing to check in, please check-in now!
(Confirm Check-ins – Continue until no one answers before moving on to the next category)**

**** Initial check-ins are now complete. If you have not checked in and still wish to do so, please wait until check-ins are requested by Net Control.**

**** I will break here for emergency traffic. Stations with emergency traffic, call signs please.
(Confirm emergency traffic and handle as needed)**

EC NEWS/INSTRUCTIONS:

(Ask EC or AEC, if EC not on, if he/she has traffic for the net)

**** I will now turn the Net over to K1XXX (EC) (or K1YYY – AEC).
(Stand by until the EC or AEC has completed his/her traffic)**

TRAINING (if any):

Capital Area ARES Net Script

**** I will break here for emergency traffic. Stations with emergency traffic, call signs please.
(Confirm emergency traffic and handle as needed)**

**** Tonight's training will be done by A1AAAA
(Turn over the net to the person in charge of training at this time)**

INFORMALS:

**** I will break here for emergency traffic. Stations with emergency traffic, call signs please.
(Confirm emergency traffic and handle as needed)**

**** All ARES business is now complete. We will now take comments and suggestions for the good of the group.**

**** We will check-in with all staff or liaisons starting with X1XXY. X1XXY hand it over to X1XXZ, X1XXZ hand it over to X1XXA, and etc. (LAST CHECK_IN) when you are finished, hand it back to net control.
(Stand by until all in this category have been acknowledged and identified)**

**** We will check-in with mobiles, ht's or other units on battery power starting with X1XXY. X1XXY hand it over to X1XXZ, X1XXZ hand it over to X1XXA, and etc. (LAST CHECK_IN) when you are finished, hand it back to net control.
(Stand by until all in this category have been acknowledged and identified)**

(Stand by until all in this category have been acknowledged and identified)**

**** We will check-in with all amateur operators starting with X1XXY. X1XXY hand it over to X1XXZ, X1XXZ hand it over to X1XXA, and etc. (LAST CHECK_IN) when you are finished, hand it back to net control.
(Stand by until all in this category have been acknowledged and identified)**

CLOSING:

**** I would like to thank all stations that participated in this net. I wish to thank the CVRC for the use of their repeater. This is X1XXX, net control, terminating the CA-ARES Net and returning the repeater to regular Amateur use. Anyone wishing to join CA ARES, please contact me (Net Control operator) after the net or email Skip at K1SPG@ARRL.NET.**
