The presenter of the program will be Herb Lacey, W3HL, discussing, "An Overview of the National Traffic System (NTS)" Note: Dues are due!?!? \$10.00 USD

For those of you who have email capability, the Cary Amateur Radio Club will be sending meeting notices (and recent news items) in a PDF file called "The Feedline." This is a resurrection of the old Feedline that was sent out as hard copy via the USPS, years ago. Now, we are avoiding the printing and mailing costs of even the postcards we used in the interim. Some of you may be receiving this having not previously received a postcard. Now, we want to include as many as we can to enlarge the foot print of Amateur Radio.

Notice: If you are receiving this document via the US Post Office AND you have an email address, send an email to W3HL@ARRL.NET giving your name and call sign, so you can be added to the distribution list for the PDF file.

If you are receiving this document as a PDF file and wish to be removed from the distribution list, send an email to W3HL@ARRL.NET put "remove" in the subject line and put your name and call sign in the text.
