**The *September* meeting of the Cary Amateur Radio Club will be held on Thursday, September 25, at the White Plains UMC, 313 SE Maynard Rd., Cary, NC, in the lower level of the Activities Building, which is behind the Church Building. The meeting will start on or after 7:31 pm. The program this month will be presented by Karl Bowman, W4CHX, ARRL NC Section Manager. Karl will talk about the current state of affairs of the ARRL in North Carolina. He will encourage discussion of matters of concern that you may have about the ARRL – in a constructive manner, of course. Remember, as an elected Official of the ARRL, he is NOT the BOSS, he works for you, who are ARRL members OR unaffiliated NC Radio Amateurs.**

*For those of you who have email capability, the Cary Amateur Radio Club will be sending meeting notices (and recent news items) in a PDF file called "The Feedline." This is a resurrection of the old Feedline that was sent out as hard copy via the USPS, years ago. Now, we are avoiding the printing and mailing costs of even the postcards we used in the interim. Some of you may be receiving this having not previously received a postcard. Now, we want to include as many as we can to enlarge the foot print of Amateur Radio.*

Notice: If you are receiving this document via the US Post Office AND you have an email address, send an email to W3HL@ARRL.NET giving your name and call sign, so you can be added to the distribution list for the PDF file.

If you are receiving this document as a PDF file and wish to be removed from the distribution list, send an email to W3HL@ARRL.NET put "remove" in the subject line and put your name and call sign in the text.

Maysville, NC – October 12, Sunday, 8 am – 2 pm. Rotary Park Community Center, 704 8<sup>th</sup> St., Maysville. Talkin: 146.52 simplex. bhighland@nc.rr.com.
