*The **June**, 2016, meeting of the Cary ARC will be held in the basement of the Activities Building of the White Plains United Methodist Church, 313 SE Maynard Rd, Cary, NC 27511, on Thursday, **June 23**, 7:31 pm. The program for the June meeting of the Cary ARC will be by Karl Bowman, DVM, W4CHX, NC ARRL Section Manager presenting the current picture of the ARRL and Amateur Radio in NC. There will be a switch in the lineup as we will ask Karl to start the meeting with his presentation. Afterwards, we will discuss CARC's involvement in a mini-Field Day on Saturday, June 25, 2:00 pm, until dark on Saturday evening. Also, we will discuss the upcoming Mid-Summer SWAPFEST, which "**is us!!!**" It will be Saturday, July 16, 8:00 am to 1:00 pm. FCC License exams will be available at 10:00 am for walkins at the Resurrection Lutheran Church at the corner of Kildaire Farm Rd., and W. Lochmere Dr., thanks to the RARS VE team.*

For those of you who have email capability, the **Cary Amateur Radio Club** will be sending meeting notices (and recent news items) in a PDF file called "The Feedline." This is a resurrection of the old Feedline that was sent out as hard copy via the USPS, years ago. Now, we are avoiding the printing and mailing costs of even the postcards we used in the interim. Some of you may be receiving this having not previously received a postcard. Now, we want to include as many as we can to enlarge the foot print of Amateur Radio.

Notice: If you are receiving this document via the US Post Office AND you have an email address, send an email to [W3HL@ARRL.NET](mailto:W3HL@ARRL.NET) giving your name and call sign, so you can be added to the distribution list for the PDF file.

If you are receiving this document as a PDF file and wish to be removed from the distribution list, send an email to [W3HL@ARRL.NET](mailto:W3HL@ARRL.NET) put "remove" in the subject line and put your name and call sign in the text.

**Note:** The above listings of Roanoke Hamfests, etc., were taken from the ARRL web site. It behooves a radio club, society, etc., to register their event with the ARRL even up to a year in advance. Not only does the ARRL provide support for your event, but calendar dates do tend to fill up quickly.
