

- **I will listen, and listen, and then listen again before calling.**
- **I will only call if I can copy the DX station properly.**
- **I will not trust the DX cluster and will be sure of the DX station's call sign before calling.**
- **I will not interfere with the DX station nor anyone calling and will never tune up on the DX frequency or in the QSX slot.**
- **I will wait for the DX station to end a contact before I call.**
- **I will always send my full call sign.**
- **I will call and then listen for a reasonable interval. I will not call continuously.**
- **I will not transmit when the DX operator calls another call sign, not mine.**
- **I will not transmit when the DX operator queries a call sign not like mine.**
- **I will not transmit when the DX station requests geographic areas other than mine.**
- **When the DX operator calls me, I will not repeat my call sign unless I think he has copied it incorrectly.**
- **I will be thankful if and when I do make a contact.**
- **I will respect my fellow hams and conduct myself so as to earn their respect.**
