Dues: \$10, from April to March.

The **May** meeting of the Cary ARC will be held Thursday, May 28, in the basement of the Activities Building of The White Plains United Methodist Church, 313 SE Maynard Rd., Cary at 7:31 pm. The program will be by Joe Huberman, K5JGH, will present a program on Amateur Radio Direction Finding, or Radio "Fox Hunting" as it is often called.

NOTE: CARC will be meeting in the usual meeting room, which is at the far end of the building – diagonally from the entrance door to the lower level.

*For those of you who have email capability, the **Cary Amateur Radio Club** will be sending meeting notices (and recent news items) in a PDF file called "The Feedline." This is a resurrection of the old Feedline that was sent out as hard copy via the USPS, years ago. Now, we are avoiding the printing and mailing costs of even the postcards we used in the interim. Some of you may be receiving this having not previously received a postcard. Now, we want to include as many as we can to enlarge the foot print of Amateur Radio.*

Notice: If you are receiving this document via the US Post Office AND you have an email address, send an email to W3HL@ARRL.NET giving your name and call sign, so you can be added to the distribution list for the PDF file.

If you are receiving this document as a PDF file and wish to be removed from the distribution list, send an email to W3HL@ARRL.NET put "remove" in the subject line and put your name and call sign in the text.

The Cary ARC will be holding a mini-Field Day on Saturday, June 27, at the grounds of Woodhaven Baptist Church at 4000 Kildaire Farm Road, So., Apex, NC 27539. This will be a low-key event to try to get some Boy Scouts exposed to this side of Amateur Radio. Of course, we hope to make an adequate number of contacts. Setup will begin between 9:00 am and 10:00 am. The contacts will begin at 2:00 pm, 1800 UTC. All interested members of CARC and our friends – licensed or not – are welcome to attend some or the entire event. The expected shut-down should be after sundown on Saturday. We are thinking of being in Class 1A, but a second station is a possibility!
