ORGANIZATION ASSIGNMENT LIST (ICS FORM 203-OS)

Purpose. The Organization Assignment List provides ICS personnel with information on the units that are currently activated and the names of personnel staffing each position/unit. It is used to complete the Incident Organization Chart (ICS form 207-OS) which is posted on the Incident Command Post display. An actual organization will be event-specific. **Not all positions need to be filled.** The size of the organization is dependent on the magnitude of the incident and can be expanded or contracted as necessary.

Preparation. The Resources Unit prepares and maintains this list under the direction of the Planning Section Chief.

Distribution. The Organization Assignment List is duplicated and attached to the Incident Objectives form (ICS form 202-OS) and given to all recipients of the Incident Action Plan. All completed original forms MUST be given to the Documentation Unit.
