Calling any late or missed District 5 ARES members who would like to check in tonight.

Are there any announcements?

Round Table:

Turn the net over to the highest ranking ARES official for comment and work down the list. Don't forget to call for late or missed checkins periodically.

Close:

Last call for late missed, or guest stations.

The District 5 ARES HF Net meets every Monday evening at 2100 hours local time on 3993.5 KHz, 7228 KHz, or 1928 KHz.

This is <name and call>, thanking everyone who checked in tonight. The net is now closed and the frequency is returned to general amateur use. 73 and good night.
