

Oregon District 5 ARES HF Net Protocol

Last update 7/1/08

Preamble:

Good evening, this is the Oregon District 5 ARES HF net. This is <name and call> in <City and County>, net control station. This net meets every Monday evening at 1830 hours local time on 3964 kHz, 7248 kHz, or 1978 kHz (move as needed to avoid interference)

This is a directed net, to break the net please use your call. If you have an announcement or comments of interest to ARES members please so indicate when you check in.

Roll Call:

Oregon Section EC Bill Morris, W7IH
 District 5 DEC Lee Stumpe, K7AZW

(Call by county. First call the county EC by his call sign. Then ask for AECs from that county, then ARES members. **Do not call them individually.** The stations that have checked in fairly frequently are listed only to make it easier for you. If other stations check in, fill in the blanks.)
