In the ensuing days she defeated five British man-of-war and captured and scuttled 12 English merchant ships, salvaging only the rum aboard each. By 25 January, her powder and shot were exhausted. Nevertheless, although unarmed she made a night raid up the Firth of Clyde in Scotland. Her landing party captured a whiskey distillery and transferred 40,000 gallons of single malt Scotch aboard by dawn. Then she headed home. The U.S.S. constitution arrived in Boston on 20 Feb., 1799, with no cannon shot, no food, no powder, no rum, no wine, no whiskey, and 38, 600 gallons of water. GO NAVY! (tnx KBSCC)

***WHO IS MAN'S VERY BEST FRIEND?*** Some men will say their very best friend is their loving wife. Others will insist that their beloved dog is their greatest friend in all the world. The best way to find out which is your better friend, your wife or your dog, is to lock them both in the trunk of your car for two hours. When you open the lid of the trunk to let them out, you will see which of them is glad to see you. (from the internet)

HAPPY NEW YEAR TO ALL, MAY GOD MAKE THIS A SPECIAL YEAR FOR YOU!! 73--FRED, ND7V; (ED)
