- 2 CAROL'S THOUGHTS ON THE PICNIC (Taken from an E mail to your editor).
– I am glad you all like to come, and it isn't that much work. Everyone pitches in and gets the job done. The weather wasn't the greatest, but we have no control over that. Be thankful for what we have. I am glad to be able to share my place with you all, and am thankful for all the help and the friendship everyone enjoys. It has been a pleasure for Bob and I to host the picnic, and seeing everyone who can, attend. Looking forward to next year. 73 Carol n7heh.

The Old Lazy Ham----I had me a good summer. I got me one of them re-bate government checks and bought me a new fish pole and some worms. Spent a lot of days a fish-in at the creek. My old woman planted the garden, and took care of them hogs. Couldn't ask for more than that.-----I had enough of that kick back money to buy me a 80-meter hand held. Trained me a pidgin to fly high with a long wire, used that afor an antennie. Called me cq one day and got me a contact with one of them fellers on the O.E.N.. His call was K7DDI. Seemed like a nice feller. Told me that he got his self a motorcycle. He must have got one of them government checks too. Hope he is not a fixen to kill his self on that thing. Paw used to aim for them there motor cycles with the 28 Chevy. I think he thought they was varmints. Paw did not see so good.-----I hear the government has a whole heap of money. They just went over to Chine and globed on to a bunch of money from them folks. May be I will get me another one of them government re-bate checks. I could sure use it to get me some gasoline for the old 48 ford. I call her 'Ol Lizzie', after her model T grandpa. She sure has not been a getting much gas to drink here lately, and that old mule is gotten hard to ride. Nice to know there are some government folks that wants to give money away, all I ever seed of them government men was revenueurs, and them folks sure ruint a bunch of good corn squeezezens.

A TIME TO VOTE ----Here it is, November, and it is time to vote. -- If you vote for a winner, you will have time to gloat.---If you vote for a loser, well it just was not your day,--- but you have consolation in that others voted the same way.---If you did not vote, then shame on you.--- You do not have the right to complain like voters do.---No matter who it is that won, it is all in God's hands, ---- for he is the real leader in all of the lands.

When I think about Thanksgiving, I think about our for-fathers, and how much we owe them for founding this country, the greatest country on earth. I think how we have been blessed, how we have been sheltered from another 9-11 attack. I think about the freedoms we enjoy, freedoms that many others just dream of having.--- When I think about Christmas, I think about the savior that came when the Christ child was born. I think about the love that he brought into the world, and the peace of mind he has given his own.

I HOPE YOUR HOLLIDAY SEASON IS THE BEST EVER!! (ed)
