Meeting was called to order at 10:05 by President Gary Elliott.

- Meeting minutes for March were reviewed and accepted as submitted.
- Gary reported that there are two estimates for work on the ship in dry dock and not all the required work will be completed with the available money.
- Gary stated that the history of the main ship's radio, by Mackey Radio/ Federal Telephone company was ready to post.
- Allen reported on the rework he did for the BC AM receiver that Ron Smith brought in last month, the radio is now operational.
- Radio gear should be stored in hold 2 or 3 in the twain decks.
- David reported that GMDSS study materials were available from the club library.
- A calling tree is being setup - more information later.
- There was a brief discussion on the status of the club web page. Peter will post the revised version soon. The club roster will not be posted. The meeting minutes archive will be maintained.
- New club rosters were requested, Dave is still waiting for late dues to be submitted so a complete and current list is published.
- On April 11th the Museum will hold the Volunteers Dinner.
- On Mother's Day the ship will hold a pancake breakfast.
- Gary noted that Ham call signs can not be used on other type of special plates.
- Sign up sheets were passed around to see who would be available to work during the Museum ship's Special event. It runs for 48 hours starting July 18th, 5 pm local time.
- April 17th there will be another trip to the mothball fleet.
- Jack(W6KNO) reported that there is over \$2300 in the club account. (sorry I missed the exact number...)
- There was some discussion on getting a complete set of the RCA version of ship's radio to have as a display in the museum.
- Henry stated that there will be some VE testing coming up, contact him for further information.

The meeting was adjourned.

The next meeting will be 10:00 AM PDT on Saturday, May 3, 2003 in the Officers Mess.
