

February 5, 1936.

Honorable City Council
City of San Jose
California

Gentlemen:

For many years the Santa Clara County Amateur Radio Association, known throughout the Sixth Radio District and at the Amateur Radio Relay League headquarters in Hartford Connecticut as S.C.C.A.R.A., have met every Monday night in the Chamber of Commerce Hall. We understand that upon the completion of the new auditorium the Chamber of Commerce will move and we will have to seek a new meeting place.

This Association is a non-profit organization helping the youth of the City who are interested in radio communication to get started in the right manner. We are also always ready in times of need to supply Government licensed radio operators and equipment to handle emergency communication as exemplified by the services rendered by the Radio Relay League at the time of the Long Beach earthquake and the numerous Florida hurricanes and other catastrophies throughout the country. This service is rendered without any cost to the community or individuals who use it.

We need a room capable of seating at least fifty people. We would like to have it in the new auditorium as we understand there are meeting rooms available for organizations similar to ours.

Our representative, Mr. Dick Barrett of the Evening News, attends your Monday night meetings and will be pleased to discuss the matter with you at your convenience. He can ably explain our situation and needs.

Yours very truly,

W. S. Clayton, Jr.,
Secretary S.C.C.A.R.A.

May 7th, 1936.

The Honorable City Council
San Jose,
California

Greetings:

This letter is to again call your attention to the fact that the Santa Clara County Amateur Radio Association is desirous of the use of a room on Monday nights in which to hold their weekly meetings.

This organization for several years past have always met in the Chamber of Commerce hall. Due to the removal of the Chamber of Commerce to its new quarters in the Auditorium we have been unable to have a regular meeting place. Before the Chamber of Commerce moved we understood that there would be some provision made to provide us with a new place to meet.

So far we have not heard from you regarding this matter and we would like therefore to call it to your attention again so we might get definite information as to our future meetings.

Yours truly,

W. S. Clayton, Jr.
Secretary

Santa Clara County
Amateur Radio Association
W. S. Clayton, Jr. Secretary
P. O. Box 734
San Jose, California.

Dear Sir:

Please be advised that your petition addressed to the City Council dated May 7th, 1936, requesting a meeting place for the Santa Clara County Amateur Radio Association, has been referred to me.

I will be very glad to make arrangements with you or with anyone whom you may appoint to represent you.

With kindest regards,

Yours truly,

CITY MANAGER.
