Equipment Auction

Several pieces of equipment were recently
donated to the club and we have decided to
auction them off to club members at the
January meeting with the proceeds going to
the club treasury. The items are a Kenwood
TH-205AT, Hallicrafters SX-28 Super
Skyrider and a Knight Star Roamer. The
Knight and Hallicrafters units are receivers
and the Kenwood is a 2m HT. I have located
some pictures of the Knight and Hallicrafters
units and include them here. These are NOT
the units we have....they are just to give you
a basic idea of the unit size & shape. I have
not been able to locate any information on
the Kenwood HT.
