

President's Corner

Robin, WA4WPD

Field Day is in the books. Quick synopsis. Setup and take down was easy. Saturday band conditions were rough, reference a solar discharge on Thursday. Sunday conditions were good. We did 561 QSO's and were shy 14 sections from a clean sweep. Congrats to Marty and Daniel for a great interview Friday morning on WZAX. I have the wave file if any one wants it. Congrats to Marty for great antennas. More at the meeting.

Speaking of the meeting. It is on the SECOND Monday. Seems like July 4th is during the first week. Please mark your calendars. Tim Slay (N4IB) will be the guest. If you have anything you want to know about the ARRL now is the opportunity to find out.

As some of y'all know I participated in the local ADA Tour De Cure in June. I had a blast. Events like this really test your skills. The next large event coming up that I plan to help is the MS 150 on September 8 and 9. Just have the fix the rig on the bike. On my vacation I hit a tree limb and ripped the dual band antenna off the bike. Oh well, it's just money.

Come one and all. See y'all at the meeting.
