April 2003

## CORNFLAKE CORNER

Hello again. This has been an eventful month. On March 15th, we helped out with the Shamrock Marathon, which was a rousing success. The weather was perfect, the a little chilly at times, though I am sure the runners were happy. There were very few medical incidents, and we had a great time. I bet Ed, KN4KL, got real tired of seeing just how slow his truck would go, though.

Also, as I am writing this the Norwegian Lady Special Event has just finished up. It also was a huge success, with more than 225 contacts. I would like to especially thank Ed, KN4KL, Mark, KI4VB, Dave, KF4NMK, Bill, WA4EUL, and Clyde, WA4BDO. Alos thanks to Butch, KE4AZL, who ran the VHF side of the house and kept us from breaking any rules with the club callsign.

If you though March was busy just wait for April! There is the Virginia Duathlon, CARS Springfest, Tour de Cure, and the March of Dimes. Al is always willing to have more help for the races, and Ruth will probably drag us all single-handedly down to the Springfest.

One of the great things about being President is I have my own article, and this time I going to engage in some selfish bragging. On March 22, I took my Extra exam and passed it! It is a great relief to know I no longer have to study for any more of those exams. My only question is how many other Extras really know what half the stuff on that test really means? Quite a few of the Norfolk Academy students and their teacher who have been taking an Amateur Radio class with Bill Henry also passed their Tech exam. Thanks a lot from us to our VE team!

We still need a Christmas Party coordinator for this year. Please volunteer a little bit of your time for this so we can have another great party like the ones Paula and Pat put on. Mark and Stew also need a Picnic Chairman for field day.

With that, I'll say 73 to all, and I hope I see you at the Meeting!

*Chris Kellogg, KG4QBN  
President

## MEMBERSHIP MEETING

### April 3rd Program

The April program should be a good one. This month we have the fortune of having one of our own club members (Ed, KN4KL) give a presentation on IRLP. IRLP stands for the Internet Radio Linking Project and the aim of this project is to link radio systems separated by long distance without the use of expensive leased lines, satellites, or controllers. The IRLP uses Voice-Over-IP software and the power of the Internet to link your radio site to the world. The system uses its own custom interface board and software, which makes interfacing your radio system to the world simple and cost effective. The IRLP runs a large network of dedicated servers and nodes to offer the very best in voice communications and allows communications using your HT, mobile or base FM transceiver to any location in the world on demand that has an IRLP node. The heart of the IRLP is its Amateur Radio network, which reaches hundreds of towns and cities, linking them all with a full dynamic range, telephone quality sound.

*Mark, KI4VB  
Vice President  
ki4vb@arrl.net*

## Norwegian Lady Special Event

I would like to thank the operators that spent many hours of their operating the Virginia Beach Amateur Radio Club's call sign for the Norwegian Lady special event this weekend. It was a very good showing even though the band conditions were not the best (low solar index numbers).

Many of our club members were able to contact the sister station (LA5M) in Moss, Norway during the event. The members were able to make contact with 328 stations during the weekend with the following breakdown: 268=SSB 46=CW 14=FM. Great Work!!

The operators were Butch – KE4AZL, Mark – KI4VB, Bill – WA4EUL, Russ – WA4BDO, David – KF4NMK, Chris – KG4QBN (Congratulations, NEW EXTRA) and Ed – KN4KL. Thanks again for a great job.

73 de KN4KL, Ed

**Virginia Beach Amateur Radio Club**  
**BOD Meeting Minutes**  
**March 20, 2003**

Chris Kellogg, (KG4QBN) called the meeting to order at 7:35 p.m. The officers attending were Chris Kellogg (KG4QBN) – President, Mark Palsha (KI4VB) – Vice President, Ruth Bigio (KB4LIF) – Secretary, and Melessa Errington (KC4FBR) – Treasurer. Board members attending were Al Crawford – WA4TCJ, Bob Zobot – KN4NTO, Lewis Steingold – WA4BLO, Bill Holland – WA4EUL, John Errington – K2JE, and Mike Scott – KD4NFX. Special Guest was Ed Williams – KN4KL

Minutes and Treasurer's reports were read and approved. Budget approval was tabled until next meeting. IRS paperwork is in progress by Melessa and Ruth. Ed gave a report on the Norwegian Lady and showed the new certificates that had been printed. Chris explained the procedures and why VBARC could not hold the special event on public property. A discussion was held on Al's report on the Ham of the Year Criteria and will be continued at a later meeting. The next exam session will be held this Saturday March 22, 2003 at Norfolk Academy at 8:30 a.m. and it was noted that several Norfolk Academy students who had been taking the amateur radio classes there will be among the examinees. There will be several volunteer examiners this time with John Errington, K2JE, in charge of the session. Mark announced that now is the time to start all publicity for Field Day and assistance is needed for the hospitality committee formation. Please see him for further details. There was a discussion over the artwork for the T-shirts for Field Day and Al is handling the ordering for them. Please see him for further information.

Several events are coming up very shortly that will require VBARC members' attention and assistance. April 6 – Virginia Duathlon, American Diabetes Tour de Cure on April 26 and the very next day is the March of Dimes Walk on April 27. Al is coordinating the events and will need lots of volunteers. For just the fun of it – Chesapeake Amateur Radio Club is having its annual SpringFest on April 12 and VBARC is having a table and members will be allowed to place items on it to sell provided someone assists in manning the booth occasionally. Please see Chris for further information.

Meeting was adjourned at 9:30 p.m.

*Respectfully submitted,*  
*Ruth Bigio, KB4LIF*  
*VBARC Secretary*  
*ruthis23518@yahoo.com*

**Virginia Beach Amateur Radio Club**  
**General Meeting Minutes**  
**March 6, 2003**

Chris Kellogg, (KG4QBN), President, called the meeting to order at 7:35 P.M. Self introductions were made and there were 86 members and 3 guests. Ruth Bigio, KB4LIF, was officially given the Ham of the Year Award for 2002 Plaque. The special program for the evening was on the topic of Angel Flight. The guest speakers explained the program was now under the auspices of the Homeland Security Act. After giving out pamphlets about the program and how amateur radio would be part of their plan, Butch (AE4AZL) explained to the club members and answered their questions how the overall plan would work: radios, frequencies, towers, antennas, etc.

After a quick break, the secretary's and treasurer's reports were given and approved as published in the newsletter. Old Business: Al Crawford – WA4TCJ – reminded everyone to come to the Pavillion to receive their T-shirts and their maps for the briefing on the Shamrock Marathon on the 14<sup>th</sup>, and that he still needed a few more hams to fill some slots on the route. He also had more public service events forthcoming and be ready to sign up. Chris reminded everyone about the Norwegian Lady on March 22 and 23 and for everyone to come and support our sister city's special event station. Mark –KI4VB - reminded everyone that it is not too early to start thinking about Field Day and he was looking for volunteers to help out. John Errington – K2JE asked that anyone who was a VE let him know if they wished to volunteer to help out with March 22 exam session.

Announcements: Congratulations to Ed Williams, KN4KL for his assistance to a young Central American girl who was severely burned. He was instrumental in getting her airlifted to a hospital when regular communications system was not available.

50/50: Melessa Errington – KC4FBR – had the winning ticket and won \$26.50. Meeting adjourned at 9:15 p.m.

*Respectfully submitted,*  
*Ruth Bigio, KB4LIF*  
*VBARC Secretary*

**2003 Annual Dues are due!**

Please forward your dues for the calendar year to the Treasurer. The current dues structure is \$15.00 for regular members, \$18.00 for family memberships or \$8 for Non licensed Associates. Check your mailing label to see your expiration date. Non renewals by the April Wavefront will be removed from the roster.

Make your check payable to the VBARC and mail your dues to the Treasurer at either one of these address:

VB ARC Treasurer  
POB 6003  
Virginia Beach, VA 23466

## HAMS HELP SAVE YOUNG BURN VICTIM IN HONDURAS

Had it not been for quick action on the part of a group of US ham radio operators, an eight-year-old Honduran girl who was seriously burned late last month might not be alive today. Larry Strain, N7DF, credits radio operators and volunteers at the International Health Service clinic in a remote village in southeastern Honduras and stateside amateurs with making the dramatic rescue possible.

“The girl was given a good chance of recovering and eventually returning to her village,” said Strain, who at the time of the incident was a volunteer in Honduras with the International Health Service <<http://www.ihsfomn.org>>, a private group of health professionals. “Without the immediate care and evacuation made possible through the IHS team and the Amateur Radio operators, her chances of survival would have been zero.”

The rescue began February 24 on an otherwise-routine evening in the remote Miskito Indian village of Auka. An Indian man arrived at the clinic seeking help for his young daughter—identified by IHS as Barbiluz Coper—who had fallen into a cooking fire and suffered some severe burns. Strain said the clinic’s medical staff sprang into action, starting intravenous fluids and pain medication. Strain, IHS volunteer Lou Linden, KI5TD/HR3, and Strain’s 16-year-old foster son Justin Radford got a generator running and strung lights.

“Within 20 minutes the girl’s burns had been cleaned, medicated and banda! ged and she was resting comfortably, but it was critical that she be gotten to advanced medical care as soon as possible,” Strain said. The nearest town with medical facilities was 20 minutes away by air, but Auka had no communication facilities other than ham radio.

Strain quickly got N7DF/HR3 on 40 meters and was able to get a response from **Ed Williams, KN4KL, in Virginia Beach, Virginia**, who, in turn, contacted Ernie Zimmerman, N0GDY, the International Health Service liaison in Minnesota. N0GDY did not have propagation to Honduras, so Jim Dunbar, K4PV, in Milton Florida—who had been ragchewing with Williams—telephoned the IHS administrative office in La Ceiba, Honduras, Strain said. Williams also called Strain’s brother, John, K0HGW, to get him on the air from his Larry Strain’s well-equipped contest station in New Mexico.

With ham radio to coordinate the move, Barbiluz was evacuated via air to Puerto Lempira—the nearest town with a hospital—and from there to the capital city of Tegucigalpa, where the University of Honduras medical center has a burn trauma unit. “Under normal circumstances,” Strain said, “an injury like this would have gone untreated and the girl forced to die a slow and painful death. Her chances of survival are now about fifty-fifty.” Word was unavailable this week on the girl’s condition!

Website: <http://www.vbarc.com>

## Field Day 2003

This year Field Day will be held June 21 & 22. We have joint Captains in Mark KI4VB and Stu KG4KJW. We will be looking for operators to keep the stations on the air the entire weekend. Stay Tuned!

We also need a Picnic Chairman for this event so if you are handy with a grill we need you. Please check with one of the other Chairmans or the President.

Also back by popular demand we will have a Special VBARC T-shirt for the event. There will be order forms at the next meeting. The prices will not increase! Small to XL will be \$15.00, 2X is \$16.00 & 3X is \$17.00. Check with Al WA4TCJ to order.

VBARC Treasurer*

### Radio Commentator Paul Harvey Plugs Hams Emergency Communications Role:

Veteran ABC Radio Networks commentator Paul Harvey this week offered some kind words for Amateur Radio. The mention was the second item on "page four" of his March 19 Paul Harvey Noon News and Comment program.

"America's quiet warriors are the legion of ham radio operators, 700,000 of them, who are always at ready for backup duty in emergencies—amateur, unpaid, uncelebrated, civilian radio operators, during and after floods and fires and tornadoes," Harvey said. "After the 9/11 attacks, hams were indispensable in reuniting friends and families. Most recently it was they who expedited the search for debris after the disaster to the space shuttle Columbia, and right now, at this moment, they are involved in homeland security to a greater degree than you would want me to make public."

The commentary's enigmatic and mysterious final sentence—typical of Harvey's habit of leaving his listeners hanging—apparently refers to the fact that many Amateur Radio Emergency Service (ARES) and Radio Amateur Emergency Service (RACES) teams have ramped up their alert status as hostilities get under way in the Middle East.

## FOR SALE

*The following is from Vernon Fix, W4THN, 495-1541*  
Alinco DJ-F1 2-meter HH Xcvr w/extra battery pack. Works fine - I now have two Alinco's. Bargain at \$100.00

*The following estate items are available from John Lockwood KA4SBT 393-4298*

AEA PK-232 MultiMode TNC, cables, no manual, appearance is very good, \$50.00. Kenwood TM 2550 2M mobile with manual, mic and power cord excellent cond., \$125.00. Kenwood TL 922 A Linear amp. Appearance is excellent. Not checked out yet, \$600.00. 2 M Mag. Mount Antenna, very good cond, \$ 15.00. Kenwood SM 220 Station Scope, looks good, not checked out yet., \$200.00.

## Virginia Beach ARES Information

We had sixty amateur radio operators take part in the Shamrock Marathon a few weeks ago. A great job was done by all. It was a outstanding day for a race, a little cool for us, but just right for the runners. Thanks to all who came out and helped. We could not have done it without you.

April will be another crazy month. We start out with the Virginia Duathlon on Sunday April 6th in the Creeds area. I will have Maps & T-shirts to pass out at the next meeting. Next will be the American Diabetes 100 mile Tour de Cure bike ride to Manteo NC on Saturday the 26th. Then on Sunday April 27th we will be doing the March of Dimes Walk-A-Thon at the Ocean front. There will be sign up sheets at the April meeting or call or email me.

## 2003 ARES Public Service Calendar

April 6	Virginia Duathlon
April 26	American Diabetes Tour-de-cure
April 27	March of Dimes Walk
May 24	Pungo Strawberry Festival Parade
June 1	Breezy Point Triathlon
August 30	Rock-n-Roll ½ Marathon
September 21	Sandman Triathlon
October 19	Chesapeake Bay Bridge Tunnel Marathon
November 1 & 2	Special Olympics
November 15	Virginia Beach Christmas Parade
