intro: Make horn from a grass

How to make cool horn from a big grass.

You will need a huge grass that you can find in forest, on some villages or field.

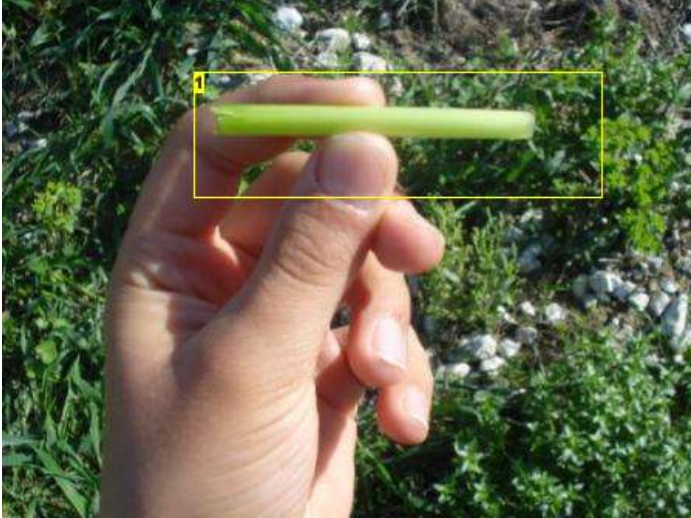

Image Notes
1. finished horn

Image Notes
1. BIG grass

step 1: First step

Find that big grass than pull it out.

Image Notes
1. grab it hear that pull it out

Image Notes
1. it should look like this

step 2: Cut

Now you need to cut it.

Cut it on that part there is a bump

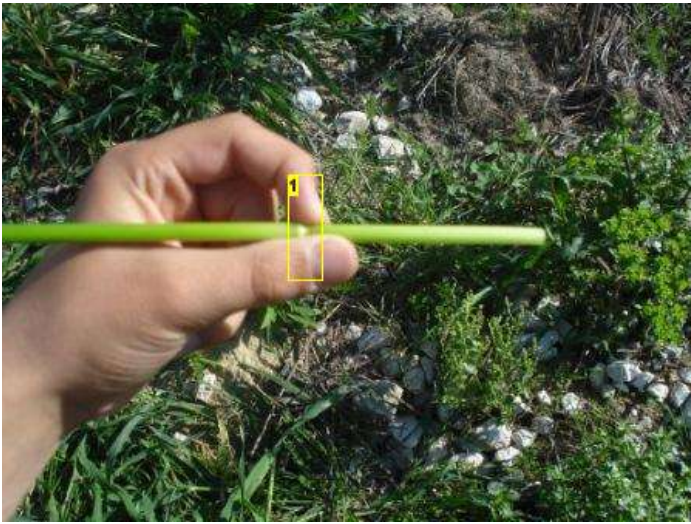

Image Notes
1. cut it here

step 3: The final step
Flatten end of straw, than try it.

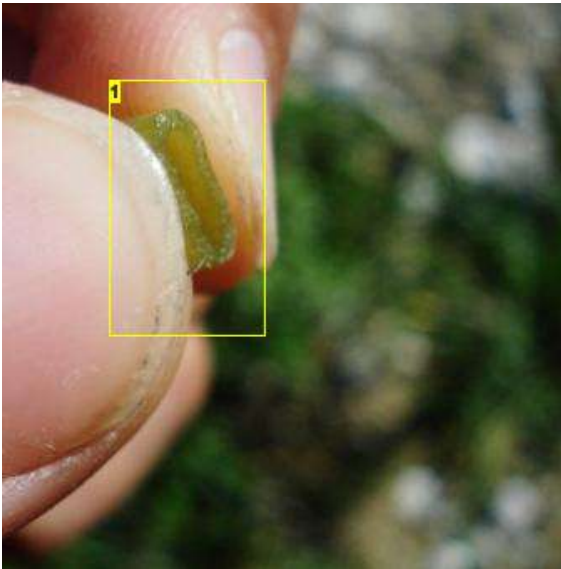

Image Notes

Browncoat says:
It'd be cool if there was a link to an MP3 (or whatever) of what this sounds like. If I'm ever stranded in a forest, on a mountain, etc, I hope I remember this ideal :)
