

# Boulder Amateur Radio Club (BARC)

A 501(c)(4) Non-Profit Public Service and Educational Corporation

- **2 meter repeater** – club announcements and nets 146.700 MHz (-) no tone.
- **70 cm repeater** – 448.900 MHz (-) no tone.
- **Remote HF station** – remotely operated HF station located at Boulder Municipal Airport.
- **IRLP & Echolink repeater** – 146.700 MHz (-) 100 Hz tone. For info send e-mail to BARC70@arrl.net.
- **BARC's Bark newsletter** – interesting news, features, projects, announcements and information.
- **Monthly meetings with programs** -- third Tuesday of each month, 7:00 p.m. (except January, June, July and occasional other months) at the University of Colorado. Watch for announcements.
- **Annual picnic & dinner** -- July picnic at Valmont Presbyterian Church & January dinner at a local restaurant.
- **BARC Juniors** -- serving the community by sharing the hobby with the next generation. More than 200 young hams have been licensed. Director: Mike Wilson (K2KR), barcjr@gmail.com
- **Scholarship award** -- given annually to a deserving university student radio amateur. Donations welcome.
- **Weekly net** -- every Wednesday at 8:00 p.m. on the BARC 2 meter repeater. All licensed hams welcome.
- **Monthly VE testing** -- first Thursday of each month, 7:00 p.m., at the Church of Jesus Christ of Latter-day Saints, 701 W. South Boulder Road, Louisville (at Washington Street). See BARC website for details.
- **Technician & General license classes** – held periodically to help new hams get licensed.
- **Field Day** – premier Club event, on the fourth full weekend in June. Typically earns excellent scores, while also devoting time to a variety of activities, including helping new hams get on the air.
- **BARCfest** -- awesome, annual hamfest on the first Sunday of October (new date).
- **Public service** -- emergency response communications support in coordination with Boulder County Amateur Radio Emergency Services (BCARES) -- Colorado ARES Region 1, District 3.  
**Amateur television (ATV) repeater** – See call sign W0BCR at <http://www.qrz.com>.  
**D-STAR repeaters** – 1.2 GHz, 70 cm and 2 meters. See <http://www.bouldercountyares.org>
- **BARC website** -- <http://www.qsl.net/w0dk/>                      **BARC e-mail address**-- BARC70@arrl.net
- **BARC Yahoo group and file archive** – <http://groups.yahoo.com/group/boulderarc>
