A licensed Amateur Radio Operator, whose address is shown above, handled this message free of charge. He will receive the Radio Relay Fee for the privilege of operating. A "Ham" Operator can accept no compensation. A receipt message may be filed with the "Ham" delivering this message to you. Further information on Amateur Radio may be obtained from ARRL Headquarters, 225, Main Street, Newington, CT 06111.

The American Radio Relay League, Inc. is the national membership society of licensed radio amateurs and the publisher of QRP Magazine. One of its functions is promotion of public service communication among Amateur Operators. To that end, The League has organized the National Traffic System for daily nationwide message handling.

QST de W1AW  
 Special Bulletin 8 ARLX008  
 From ARRL Headquarters  
 Newington CT June 24, 2016  
 To all radio amateurs

SB SPCL ARL ARLX008  
 ARLX008 2016 W1AW Field Day Bulletin

It is a simple equation. June plus Amateur Radio equals Field Day equals fun.

Every year thousands of Amateurs and visitors participate as they communicate all across North America. Garnering contacts across multiple time zones always serves to excite both neophyte operator and grizzled veteran on the airways.

Has your group included the two new bonus point opportunities for 2016? a safety officer helps your group pass along best practices for risk awareness. The social media bonus lets you engage the community at large. After all, wasn't Amateur Radio an early form of social media? Both serve to blend old and new technologies on this grand stage.

The deadline for submissions for this year is Tuesday July 26. Be sure to use the <http://www.b4h.net/cabforms> web tool to submit your summary information to ARRL.

Good luck and may whatever equation you apply for Field Day equal maximum fun. 73!
