## **AMATEUR RADIO EMERGENCY SERVICES NET**

PREAMBLE (REV. 11/03/2014)

- QST, QST, QST, Calling All Amateurs
- This is (You're CALL) and my name is: (You're NAME). This is the **Indiana Co. Amateur Radio Emergency Services** Net.
- All amateurs are welcome.
- Is there any **Emergency** or **Priority** traffic for the net? (Please call now.)  
*Pause for any traffic. Then continue or respond to traffic as needed.*
- Does the **Indiana Co. A.R.E.S. Emergency Coordinator (Dave, KA3KFA)** have anything?
- Does the **Indiana Co. A.R.E.S. Net Coordinator (Roger N3ULC)** have anything?
- Does the **Indiana Co. A.C.S. Officer (Terry, KB3JOD)** have anything?
- Does any of the **Indiana Co. Amateur Radio Club Officers** have anything?
- Does anyone have any anything of Interest?
- Please speak **clearly** and **slowly**, giving your callsign and state if you have any traffic for the net. Traffic will be handled after roll call.
- I will now call the current active list, as I have it.  
*(Proceed with the call list: Keep a log and note the stations that reply with traffic.)*

### **\* \* Call Current Active List \* \***

- Is there any **missed or late or new check-ins** for the net? If so, please give your call, name, and location and if you have any thing for the net.
- We will now do traffic in order, as listed. *(Take all traffic in order as listed, if any. If not skip this Part and continue.)*
- Is there **anything of interest** before we close the net?

### **"CLOSING THE NET"**

- This concludes the **Indiana Co. A.R.E.S. Net** for this evening. We wish to thank the **Indiana Co. Amateur Radio Club** for the use of the **W3BMD** repeater, and to thank everyone who participated this evening.
- This is **<YOUR CALL>** securing the net at **<TIME>** and returning the repeater back to general amateur use. **73** and **GOOD EVENING**.
