Join us there for a wonderful evening. We will be discussing fundraising, contesting, and there will be sign-up for the upcoming public service event.

There will also be a short demo on the computer upgrades that have taken place.

A special setup will be on display showing the advantages the computers will play in our upcoming contesting. For more information, just join us at the meeting.

Thursday, April 1st, 2004 at the Clubhouse on Wagner Road. 7PM! Please try to make an effort to be there. The RAE depends on members actually showing up at the meetings to keep the Ham hobby alive.
