FCC Morse Code Decision Would Not Effect CW Subbands, Privileges

Any FCC decision to eliminate the 5 WPM Morse code requirement for HF access would have no impact on either the current HF CW subbands or on the CW privileges of Amateur Radio licensees.

"There seems to be a lot of confusion on these points, judging by the questions I've been getting," said John Hennessee, N1KB, of the ARRL Regulatory Information Branch. He emphasizes that the proceeding does not put forward or recommend any changes in CW allocations or privileges.

The FCC is currently accepting comments on its Notice of Proposed Rule Making and Order (NPRM&O) in WT Docket 05-235, released July 19, which proposes to do away with the 5 WPM Morse code requirement for all license classes. Hennessee further notes that the FCC also has not proposed to extend HF privileges to current Technician licensees who have not passed a Morse code examination. The Commission's NPRM&O suggests that in a no-Morse-requirement regime, such Technician licensees would be able to gain HF access by taking the Element 3 General class written examination.

To file on-line comments on the FCC NPRM&O in WT Docket 05-235 or to view others' comments in the proceeding, visit the ECFS site <<http://www.fcc.gov/cgb/ecfs/>> and click on "Submit a Filing" or "Search for Filed Comments." In either case, type "05-235" in the "Proceeding" field, being careful to include the hyphen but not the quotation marks. Directions for filing comments, which can be in the form of an attached document, are on the ECFS site. Click on "Getting Started" to learn more. As of week's end, more than 1700 comments had already been filed. The FCC has not yet established a closing date for comments in this proceeding, and it's not likely to release a Report and Order in WT Docket 05-235 until early next year.

In a separate--and unrelated--Notice of Proposed Rule Making (NPRM) in WT Docket 04-140, the FCC agreed with an ARRL proposal to reallocate the current Novice/Tech Plus CW subbands to create additional room on certain 'phone subbands. If the FCC goes ahead with that proposal, Novice and TechPlus licensees would have CW privileges in the current General class CW bands.

Erie Ham Radio Time Capsule

50 Years Ago - September 1955

Local Amateurs were looking forward to participating in the September VHF QSO Party

Lt. Chuck Tribble W3YKE, commander of the Civil Air Patrol Squadron extended his thanks to the local amateurs lending and assistance during the local air disaster that took place. Those Helping out in the event included Scotty Forbes W3STK, John Koziak W3NXK, George Roschy W3LKJ, Chuck Bartlock W3BFB

Ham classes would be starting October 4th 1955, sponsored by the YMCA and the RAE.

On Sept 1, 1956 Thailand had been removed the list of countries in which amateur communications had been prohibited.

Local Notary Public Offices and Penndot were busy with an influx of hams (10,000 to 20,000 as reported in the Erie Dispatch) requesting HAM Callsign License plates for the first time.

25 Years Ago – 1980

HamJam 80 took place at Rainbow Gardens. Admission was \$3. There were hourly prizes along with two main prizes one including A TenTec 580 Low Band transceiver with power supply and the Erie made Mini Quad Antenna. A Two main prized for the general public included a \$100 gift certificate to Loblaws and a RCA 13 in Color TV.

Frank Graziano back then KA3CTW (now KD3D) passed Advanced.

15 RAE Members The RAE helped out with communications for the Presque Isle Marathon.

VHF STATION ANTENNA PARTY—PHASE 1

Who is that hiding in the Tree?

John N3NKV, Wattsburg Bob KC2HVX, and Doug AD4UL clean up the debris from the 1st tree. Also in the back is Dave KA3AUH

Despite our best plans, we did have a casualty, the packet antenna got damaged. N3SRD replaced the antenna with one of more gain.

What Next?

Mount the Antennas, Put Up the Tripod, Run Some Coax and Rotor Wire. Then have fun contesting on 6 meters, 2 meters, 432, and maybe 220.

RAE 2006 Elections

Election Season is here. We keep our elections simple. No hanging chads nor do we have to worry about the new touch screen voting machines breaking down. If you are interested in becoming part of the RAE Leadership Team, it is really simple.

Nominations should be submitted to a member of the election committee using the nomination form below. Members of the election committee are: Bob Fuller N3LBI, John Lis N3NKV, and Bill Marshall KB3JSN. At the October General meeting, additional nominations will be taken from the floor.
