### REMINDER

The following was posted in the December newsletter:

Justin Drummond requested that the Club invite Ron ERB WO8Z to attend the January to talk about replacing the 440 repeater with a new UHF repeater. Ron as most of you know has a large 440 link that covers most of southeastern Ohio and some of WVA. After some discussion it was agreed to ask Ron to attend the **January 2007** meeting to answer some question from the club members and **vote** on the matter. Motion was made by Jim Anzelmo and 2<sup>nd</sup> by Justin Drummond, Passed (**Please attend this meeting so your vote will be counted**)
