## From the Assistant Editor's Desk

Time to add a feminine touch here. Tim was able to do most of the newsletter this month, but I've filled in here and there. Telesis has forced poor Tim to go to Mexico for some sun. I'm sure we'll all think of him with pity, as he runs around down there in his T-shirt and shorts. But, not to worry . . . he'll be back in icy Ohio in plenty of time for the meeting. ☺

Special thanks to John Mand, KC8FPU, for sending the information about the 2004 Training Schedule and the ARRL on-line courses. We always appreciate any contributions to the newsletter, as they help to make the newsletters more interesting for everyone.

Stay warm! Spring is just around the corner.
