The 146.85 repeater is working ok, the old 440 repeater is still running – just weak.
5. Old Business:

**Thanks to everyone who worked and supported the 2004 Fish Fry!!**

This was my first year of working an entire day at the fish fry. Things got crazy here and there but I really enjoyed the event as a whole. I was able to meet and have nice conversations with some members that I only knew of from the mailing labels that are printed out. I'm willing to give it a go again next year.  
Tim N8ZOM
