Newsletters available in E-mailable format

We are now up to 15 members who have opted to receive the newsletters via email. It seems to be a hit with them! This saves the club on printing charges, not to mention you receive the news letter almost a full week ahead of the printed version. And when I can I post club related color photos in the place of the ads that help pay for printing cost. John Mand has requested as many members request the email newsletter as possible. If you would like to try it let me know.

August Club Minutes

The August meeting was canceled due to the low membership attendance. (5)

ARES NEWS

To all ARES Members;

This has been a quiet year for us. No major floods, storms, pesky drills, and net call-ups, well almost. As with all emergency groups some practice and testing is involved.

On the weekend of October 2 & 3 there will be a ARES drill. This drill is a nationwide exercise designed to test our skills and the readiness of our equipment under emergency like conditions. All radio amateurs are invited and encouraged to participate in the event.

Please be prepared, and ready to answer the call.

John Mand KC8FPU
ARES
Ross County Emergency Coord.

SVARC Club Picnic is on SEPTEMBER 19, 2004 @ 1:00 P.M. till ???
