**The Editors Desk**

There was no meeting held in August. The SVARC Golf Scramble took place on Sept 9<sup>th</sup>. I don't have any numbers or a complete list of workers yet. There were two teams that did not show up and that caused somewhat of a problem, but the players seemed happy with everything. Even if this event turns out not real profitable this time around, we now have a better idea of how it works. If this continues next year, I'm sure it will be very profitable.

Marvin Turner mentioned that we had discussed a club picnic in October, I looked at the minutes back to May and can not find any mention of it. If someone has any information or a calendar with the date marked please let me know. We can discuss it at the September meeting.
