

## CRES AMATEUR RADIO CLUB

This is an invitation to the next meeting of the CRES (Columbus Radio Enthusiasts Society) Amateur Radio Club. Our Club is one of the oldest ongoing amateur radio clubs in the Columbus, Ohio metropolitan area. The Club was established in 1962 by hams working at Western Electric and Bell Laboratories located on the east side of Columbus. The Club is no longer associated with any business entity. Anyone can apply to become a member of the Club by submitting the Membership Application on the reverse side. Some pertinent information pertaining to our Club is provided below.

### OUR CLUB'S MISSION:

- Stimulate interest in the various facets of amateur radio
- Foster the exchange of technical knowledge among Club members
- Maintain a Club repeater for the benefit of Club members and local amateurs
- Supply the infrastructure and technical acumen to provide local communications in times of emergency
- Hold activities that afford Club members and their families the opportunity to gather together and socialize.

**MEMBERSHIP:** Membership in the Club is open to all licensed Radio Amateurs and others who have an interest in the Club's mission.

**DUES:** Membership dues is \$10 for the calendar year.

**MEETINGS:** General meetings are held every other month. Meetings start promptly at 6 pm and end a little before 9 pm. Meetings are divided into three segments. A one hour social time, a short business meeting and a program of interest to the membership. From time to time there are special meetings for field trips and other special occasions. The meetings are usually held in the meeting room of a library but have been held in the meeting room of a restaurant.

**FIELD DAY PARTICIPATION:** During the last full weekend (Saturday and Sunday) in June, interested Club members participate in the ARRL Field Day event.

**CLUB PICNIC:** Each year the Club has a picnic for members and their families. The picnic is pot luck. Refer to the Club's website for details pertaining to the picnic.

**WEBSITE & EMAIL:** For more information visit [WWW.W8ZPF.ORG](http://WWW.W8ZPF.ORG) or if you have questions email us at [CRES-INFO@W8ZPF.ORG](mailto:CRES-INFO@W8ZPF.ORG).

**REPEATER:** The Club operates and maintains a 2M repeater, W8ZPF. The repeater transmits on 146.670 MHz and receives on 146.070 MHz. To use the repeater you must have your CTSS enabled and set to 131.8 Hz. Our repeater is open to all, not just to club members.

**WEEKLY ROUNDTABLE DISCUSSION/NET:** For those who would be interested, there is an informal round table discussion/net by Club members on the Club's repeater on Sunday evenings at 9 p.m.
