W9AML Net Script

Good Evening

This is the regular Tuesday night net of the Central Illinois Radio Club. This is the W9AML repeater on 146.04/64 with a tone of 156.7. (444.95 with a tone of 97.4) This net is primarily for rag chewing and fun, but we do try to polish our skill at operating in a net environment. This net is open to any operator with two-meter privileges, no need to be a club member. The name is _____ and the call is_____._____

Before we started with the net, is there anyone with emergency traffic or who needs to contact anyone, if so please call …

Announcements for the week?

_____

With that are there any stations that want to check in? If so, please come back to net control with your call sign and name. Please wait for acknowledgement of the previous check-in before calling to allow me time to log the calls correctly.

_____

Are there anymore check-ins, comments, or information for the net?

Hearing no more calls, we have this net every Tuesday night at 8 pm. We have had a total of _____ check-ins tonight. The time is _____ pm. This is _____ closing the Central Illinois Radio Club Tuesday night net on the W9AML repeater.

73 to all.
