

1.25 METER LOG SHEET

User Data:

Call Sign: _____ Grid Square(s) activated: _____ Email: _____

Name: _____ Address: _____

Class (Check Only One): Single Band Low Power _____ Multi Band Low Power _____ Single Band Hi Power _____ Multi Band Hi Power _____

Sked's = 3

Random = 10

QSO POINTS

[illegible]

Page Total				
------------	--	--	--	--

QSO Points = Sum of Random Points & Sked Points

My 1.25 Meter Points Total is: (QSO POINTS) x (Multipliers) = () X () = Points

Use as Many Log Pages as required but keep bands separated to appropriate Log Sheets please. Use the back of the log sheets for "soapbox" comments and recommendations for future contests. Each station must submit a Summary Sheet.
