Call_Sign: W6HAP

Name: Hap

address: hap@tscnet.com

Radio Model: Yaesu FT900CAT

REFA_label: DVS-2

REFA_location: At Back

REFA_type: Pin 2

REFB_label: DVS-2

REFB_location: At Back

REFB_type: Pin 1

REFC_label: DVS-2

REFC_location: At Back

REFC_type: Pin 3

REFD_label: KEY

REFD_location: At Back

REFD_type: 1/4 inch 3-contact jack

Instructions: See Bob's schematic under FT1000MP (Tnx Bob). This should work for any Yaesu model that supports the DVS-2 Digital Voice Recorder. Note: On the KEY use only a 1/4 inch 3-contact plug. Never use a 2-contact plug.
